ABOUT US:

The Cree Board of Health and Social Services of James Bay is responsible for providing health and social services for all persons residing permanently or temporarily in the Eeyou Istchee region, the Cree Territory of James Bay. The health and social services offered are front-line services provided in the nine local CMCs as well as second-line services through the regional hospital centre in Chisasibi. When second- and third-line services cannot be provided in the community, patients are transported to institutions affiliated with McGill University's Réseau Universitaire Intégré de Santé (RUIS).
