

MEMO: Instructions for Youth Vaccination at School in Eeyou Istchee

Tuesday, June 1, 2021

Youth aged 12-17 in Eeyou Istchee are now eligible to receive the Pfizer COVID-19 vaccine. The following instructions are for Youth who currently attend school in Eeyou Istchee.

If you're a Youth aged 14-17 and currently attend school

- You can consent to vaccination on your own.
- You must book an appointment through Clic-Santé in order to obtain digital proof of vaccination (with a QR code).
- Youth will receive their proof of vaccination by email after they are vaccinated.
- Your school will confirm the actual vaccination appointment (day and time).

How to book a vaccination appointment if you're 14-17 and in school:

1. Go to the Clic-Santé Covid-19 Eeyou Istchee School Vaccination website
➤ <https://clients3.clicsante.ca/67063/take-appt>
2. Scroll down to your school and click "Continue".
3. Choose a day and time for your appointment and click "Continue".
4. Fill out the information required **including your email address. If you don't include your email address, you won't receive your QR Code Proof of Vaccination.**

If you're a Youth aged 12-13 and currently attend school

- You require parent/guardian consent for vaccination.
- Your school is distributing consent forms to bring home.
- You will automatically be registered for an appointment through Clic-Santé.
- Your school will provide details about the vaccination schedule (day and time).

Please Note: Youth aged 12-17 *who are not attending school* need to call their CMC for details on when and where they can get vaccinated.
